

PRESIDENT MOUL: Thank you, Speaker Baack.

CLERK: Madam President, Senator Beutler would move to amend with AM1231. (Beutler amendment can be found on page 1597 of the Legislative Journal.)

PRESIDENT MOUL: Senator Beutler.

SENATOR BEUTLER: Madam President, members of the Legislature, I am going to move quickly through this, because I am in favor of the fee, increasing the \$15 too, and also hope Senator Chambers doesn't show up on time. The amendment before you now though is, in fact, a response to Senator Chambers' criticism on General File. And what...it hasn't been passed out to you because all it does is restore Section 1 of the green copy to the bill, and eliminates Section 29 of the amendment that we adopted on General File. The affect of that is when you restore Section 1 of the bill you're saying that the Legislature shall, on each and every occasion when either a temporary permit or an annual park permit increase is sought, come back through the Legislature. In other words it removes it from the flexible fee schedule that we had adopted on General File and restores it, basically to the current process of going through the Legislature for each and every change. And the reason for that is that the annual park fee is, of course, the big fee. And so Senator Chambers' theory is that the Legislature should look at that particular one. I don't object to that. Thank you.

PRESIDENT MOUL: Thank you, Senator Beutler. Does anyone wish to speak to the Beutler amendment? Seeing none, do you have closing, Senator Beutler? Closing is waived. We'll now vote on the Beutler amendment. All those in favor please vote aye, opposed nay. Have you all voted on the Beutler amendment? Have you all voted? Please record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Madam President, on adoption of Senator Beutler's amendment.

PRESIDENT MOUL: The amendment is adopted.

CLERK: Senator Wehrbein would move to amend, Madam President, AM1269. (Wehrbein amendment appears on pages 1597-1602 of the Legislative Journal.)
